A BY-LAW

WHEREAS a certain by-law entitled "The Lulu Island Local Improvement By-Law, 1891," was passed by the Municipal Council of the Municipality of Richmond on the 11th day of April, A. D. 1891, and reconsidered and adopted by the said Municipal Council on the 18th day of April, A. D. 1891, for to authorize the borrowing of \$50,000.00 for the purpose of dyking and draining the eastern end of Lulu Island, lying east of Road No. 5, in said Municipality, to comply with a petition signed by a majority of the owners of real property in said eastern portion of Lulu Island, and in accordance with a report of Messrs. Garden, Hermon & Burwell, Provincial Land Surveyors, whose services were obtained to report thereon, and who recommended the undertaking of the said work as recited in the said by-law :

And whereas, by resolutions passed at a Court of Revision held by the Municipal Council of Richmond for the purpose of hearing complaints against the assessment made by the said Garden, Hermon & Burwell, as shewn in the schedule attached to the said by-law, certain sections were excluded from the scheme and certain other sections which were assessed at a full rate were reduced to one-half of that rate, thereby reducing the amount of acreage liable for the cost of the said work and reducing the amount of special rate required to pay interest on and sinking fund to repay the amount required for the construction of the said work :

And whereas the said by-law was not amended so as to correspond with such alterations made by the Court of Revision :

And whereas Mr. H. B. Warren, C. E., the engineer supervising the said work having recommended the exclusion of that portion of Section 4, B. 3 N., R. 5 W., and the owners thereof having consented to such being excluded from the scheme :

And whereas it will require an additional sum of twenty thousand dollars to complete the work of dyking and draining, to pay for expenses incidental to and arising from the prosecution of the said work aforesaid, and to pay the shortage in the amount of special rate arising as above indicated :

Be it therefore enacted by the Municipal Council of the said Corporation of the Township of Richmond, that the said Lulu Island Local Improvement By-Law, 1891, be and is hereby amended as follows :—

1. That it shall be lawful for the Reeve and Clerk of the said Municipal Council to borrow an additional sum of \$20,000.00 on the credit of the Corporation aforesaid, being the funds necessary for the completion of the work and purposes above recited, and place the same to the credit of the Corporation, at the Bank of British North America, in the City of Vancouver, for the said purposes aforesaid. And it shall be lawful for the said Reeve and Clerk to issue debentures of the Corporation to that amount in sums of not less than one hundred dollars each, and payable within twenty years from the date thereof, with interest at the rate of five per centum per annum, which interest shall be made payable half-yearly on the first day of March and the first day of September, respectively, in each year, such debentures to be signed by the said Reeve and Clerk, sealed with the seal of the Corporation, the same to be made payable at the Bank of British North America, Vancouver, and to have coupons attached to them for the payment of interest.

2. That the Schedule B attached to this by-law be substituted for the schedule attached to the said Lulu Island Local Improvement By-Law, 1891, which shall be used as a part of the by-law.

3. That for the purpose of paying the sums of \$50,000.00 and \$20,000.00, being the amounts charged against the said lands so to be benefited as aforesaid, the special rates as shewn in the said schedule shall be assessed and levied over and above all other rates in the same manner and at the same time each year as taxes are levied upon the lots, and parts of lots, as shewn in said schedule, and the amount of the said special rates and interest assessed as aforesaid against each lot, or part of lot, respectively, shall be divided into 20 equal parts, as shewn in said schedule, and one such part shall be assessed and levied as aforesaid in each and every year for 19 years, being the time that the debentures for \$50,000.00 issued under the authority of the said Lulu Island Local Improvement By-Law

have to run, and two-sevenths of one such part shall be assessed and levied as aforesaid in the 20th year during which the debentures issued under authority of this by-law have to run.

4. That this by-law shall be published in the British Columbia Gazette and the Vancouver World Newspaper for four consecutive weeks previous to the final passing thereof, and shall come into force and effect seven days from the date of its final adoption by the said Municipal Council.
